## *Office of Christian Formation*

### **Revisions to the Catechetical Formation Program (CFP)**

**\*Effective January 2013\***

1. Reflection papers will no longer be submitted online. Completed reflections will be placed in the catechist portfolio and checked for completion when submitting portfolio to DRE for certification.
2. There will be no post-Saturday quizzes. At the end of each module, there will be a short review.
3. There will be no online "Catechist Review Course" to renew certification. The two hours allotted to this course will now be combined with the ten hours of independent study. Thus, in order to renew certification, a catechist must complete eighteen hours of formation. Six of these hours must come from attending at least one Ministries Day; the other twelve hours may come from other diocesan-approved or DRE-approved workshops, courses, webinars, seminars, etc.
