Welcome Back! –

The faculty, staff and administration at SJNCS are excited to welcome back all of our students after summer break. We look forward to an adventurous, exciting and blessed year ahead!
A Great Day for Firsts! -

August 9, 2018, was a great day for firsts! Our new pastor, Father Joe Reed, celebrated his first Mass with us, which also happened to be our first all school Mass of the year. Father Joe has quickly shared his love of God and children throughout our school and parish. He makes each student and staff member feel cherished and loved. We are so thankful for him and know that he will move mountains for us with all of his special gifts. We love you, Father Joe!
GREAT NEWS! Preschool parents can now choose 2, 3, or 5 full days per week for BOTH 3 and 4 year-olds beginning immediately. And, SJNCS Preschool will be extended to a year-round program beginning the summer of 2019! Visit our website or contact the admissions office for more information. Schedule your tour today! Also, beginning this year, preschool students participate in special area classes each week. They get to take advantage of PE, Art, Library and Spanish!
Volleyball Season –

Mustang volleyball is well under way! We have two Varsity teams and one JV team this year that have played in the Atomic (Oak Ridge) and Feederfest (KCHS) Tournaments as well as regular season play thus far.
Hands-on Learning –

Our academic year is off to a terrific start with hands-on learning taking place throughout our 42-acre campus. Students are learning about the scientific method, their senses, algebra and so much more.
