

## Notre Dame High School September Highlights

September has been a great month for students and parents at Notre Dame.

Tuesday, September 4<sup>th</sup>, Notre Dame parent, Attorney Dan Ripper, held a seminar entitled “Teenage Years 101 – What You Don’t Know Can Hurt You!” This was to inform parents and teenagers of the laws that apply to them and how they affect them and making good decisions.

The annual Notre Dame College Fair was held on Wednesday, September 5<sup>th</sup>. It is the largest in the Chattanooga area and is attended by students from all schools. The hallways were packed and more than 85 colleges were on hand to promote their school.

On September 8<sup>th</sup>, Rachel-Anne Scalla won the female division of the VICtory Run 5K. The run was sponsored by Dr. Chris and Tracie Lesar, owners of Vascular Institute of Chattanooga and parents of two current students.

The Weekend Warriors is a group of students who gather on weekends to do service opportunities. Their service ranges from the community kitchen to the Ronald McDonald House and many more. In September the group gathered at the Partnership for Families, Children and Adults to organize their donation room.

As always, our annual senior retreat was a success. The senior class went to Ocoee Outdoor center to enjoy a night of fellowship, worship and just fun togetherness. They did rock climbing, zip lining and the favorite paint-ball. It is a great time for the seniors to spend together and reflect on what they’ve done and what they plan to do in life.
