

St. Jude School October, 2018

In Loving Memory

On October 10, St. Jude School lost our beloved colleague of 25 years, Admissions Director, Nancy Byrne. Nancy valiently fought ovarian cancer for over 2 years.

Words can't describe how much her smile, intelligence, dedication, sense of humor and friendship will be missed. St. Jude is a better place because she was here.

TEAM NANCE

Rest in Peace Nancy.

Catholic Football

The Catholic Football League, a combined St. Jude and OLPH school team, had a great season playing independent schools in the Chattanooga community.

The Class of 2027

The St. Jude Class of 2027, our beloved Kindergarten students have had a fantastic start to their school life – enjoying learning, listening, drawing and even a great field trip to the Old McDonald Farm.

Library Birthday Club

Each year, our Library sponsors the Library Birthday Club. This allows parents to make a donation of \$15 and in return a book is purchased in honor of their child who is then celebrated at a special seasonal birthday party. The students love the books and the party, and the activity helps to promote reading enjoyment!!!

Alumni Eagle Scouts

Former St. Jude Students, Evan delCarmen and Pierre Westhoff, chose St. Jude School to be the recipient of their work in their Eagle Scout Projects. Evan built pieces for an Outdoor Classroom, while Pierre created a Playscape for the PK/Kindergarten playground.

Halloween

You can't have October without a Halloween celebration – especially in an elementary school! It was a great day of costumes, contests, parties and treats! Thank you to our fabulous parents, teachers and students for a great day!
