

St. Jude School

December, 2018

As is always the case in our Catholic School, December is a month of Advent Preparation, Celebration and Congregation:

THE SCHOOL'S CHRISTMAS SERVICE PROJECT was sponsored by Student Council. It was held to benefit the Partnership for Families, Children and Adults, specifically the displaced moms and children living at the Partnership facility during Christmas because of violence in the home. On December 5, students paid a \$1 to come out of uniform in Christmas sweaters and \$1 for donuts. This money was used to purchase almost \$400 in gifts for the moms and children. On December 10, Student Council, while providing carols for the families during their Christmas party, presented these gifts along with a cash gift of \$360 to the Partnership.

The TRUE Meaning of the Season

First and Second Grade presented the Annual Christmas Pageant on December 13 reminding all of us of beauty of the Christmas season.

CHRISTMAS PARTIES

After a month of advent preparation and service, St. Jude School student and staff celebrated together before heading out to Christmas break.
