

Notre Dame High School January highlights

January 2nd – Congratulations to Jackson Love, Class of 2022, for being awarded the Governors' Volunteer Award for Youth in Hamilton County. Jackson will attend a ceremony in Nashville with other youth volunteers around the state.

January 11th – Two future Vols, who happen to be twins, had the distinct pleasure of getting to meet Coach Jeremy Pruitt on his visit to the school.

January 22nd – March for Life – While Notre Dame did not have their own group; a number of our students went to Washington with their parishes to attend the March for Life. Some of our students had the pleasure of meeting one of our former Sister, Sister Anna, who was the founder of the House System at Notre Dame.

January 28th – February 1st – CATHOLIC SCHOOLS WEEK:

We started the week with doughnuts for the parents, given out by our Green and Gold Ambassadors.

On Wednesday, the Home and School treated the students and faculty to lunch! You can never go wrong with pizza!!

Thursday after Mass, the religion department had a surprise breakfast of biscuits for everyone!

This year we had a dress up day for three of the five days. Unfortunately, one of the days was a snow day...with no snow! We had Mythical Day, America Day, and Salad Dressing Day. The last one was a huge success. Students dressed up in their best unicorn, wizard and princess attire, red-white and blue attire and Ranch (cowboys), Greek (togas), Thousand Island (Hawaiian clothes) and Blue cheese!
