

## MARCH HIGHLIGHTS

After completing a unit on geology and learning about the Earth's core and the science behind volcano eruptions, PreK applied their knowledge and made their very own miniature volcanoes!

2<sup>nd</sup> grade ended their STEAM unit by turning milk into plastic!

4<sup>th</sup> grade raced to finish a digital Classroom Breakout on Saint Patrick!

3<sup>rd</sup> grade went to the Land Down Under and made fairy bread to learn more about their social studies unit on Australia.

Open Enrollment advertising started for the 2019-2020 school year!

St. Mary's brought home 11 trophies at the Upper East Tennessee Science Fair on March 23.

Home and School sponsored their 34<sup>th</sup> annual Auction on Saturday, March 2. Over \$60,000 was raised at the event!

Students led "Stations of the Cross" on Friday, March 29 at 2:00 for the school, and 7:00 for the parish.
